Groupings
<p>Please provide a list of township and/or major class groupings (if any). Additionally, please provide information detailing how the townships and/or major classes are similar in market. **Please note that groupings made for the sole purpose of combining due to a lack of sales with no similarities will not be accepted by the Department**</p>
<p>For ResImp Adams, Johnson, and Laughery townships stand alone as unique data sets. Brown, Shelby, Otter Creek, Delaware and Washington townships are similar in their distribution of property class groups being primarily Agricultural and residential. They have similar socioeconomic demographics that drive the market in these townships. For the following class groups there is no significant differences in market sales throughout the county therefore countywide grouping is required for each class group. ResVac, ComImp, ComVac, IndImp, IndVac.</p>

AV Increases/Decreases		
If applicable, please list any townships within the major property classes that either increased or decreased by more than 10% in total AV from the previous year. Additionally, please provide a reason why this occurred.
